FROM THE HUMIDITY OF THE AMAZON FOREST
TO THE STREETS OF TORONTO, THE JOURNEY IS
AS POETIC AS IT IS CAFÉ

RAILHEAD ESPRESSO BLEND

Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset typefaces. My guess is that anybody who has seen the 25-cent book by Richard Kluger will remember the many dummy texts that were allegedly meant to be like this.

TRANSCEND ESPRESSO BLEND

The Transcend espresso is a blend of high quality single origin coffees that, when combined provide a rich, full bodied and complex espresso. It is delightfully sweet, with hints of candied cherry on the nose.

Caramel and tart cherry with brick red crema, rich sweet heavy body, and pleasant wine-like acidity.
